### Vocabulary Unit Six Picture Prompt

For this LAST vocabulary story, I want YOU to provide the picture. Ideally, I would like you to choose a picture that is meaningful to you, has people in it, and can be reproduced so I may see a copy as I read your story. It also must be classroom appropriate. Other than that, it is up to you!

As always, your vocabulary story must be typed, one page, double-spaced, and must include a minimum of **ten** vocabulary words. Please bold, highlight, or underline the vocabulary words used.

Some questions to foster creativity:

1. What is happening in this picture?
2. Who are the people in this picture and what is their relationship to one another?
3. What are these people thinking/feeling?
4. Where are these people?
5. What happened before and after this picture was taken?

Let your creativity flow! I can't wait to read your story!
